

## 4' x 4' Spring Garden

### Recommended Varieties

-  kale-Dwarf Blue Curled or Lacinato
-  peas-Super Sugar Snap (will need a trellis) or Sugar Ann (no trellis needed)
-  carrots-Danvers Half-Long
-  cilantro-any variety\*
-  lettuce-Jericho (Romaine), Black Seeded Simpson (looseleaf), or Salad Bowl (leaf)
-  onions-Evergreen White Bunching
-  radish-Easter Egg Blend
-  spinach-Bloomsdale Long Standing

Note: All seeds can be purchased from [www.SeedsNSuch.com](http://www.SeedsNSuch.com). I am not an affiliate of Seeds N Such, I just love their seeds and their prices!

### Number of seeds to plant per square

4-kale  
9-peas  
4-cilantro\*  
16-carrots  
4-lettuce  
16-onions  
16-radish  
9-spinach

\* A note about the cilantro-Contrary to popular belief, cilantro does not like the heat. Grow it now and freeze or dry it so you'll be ready for the salsa garden plan this summer.
